

## The IIA International Conference

On November 8 – 10, 1942, The IIA held its first annual conference in New York City. Since then, this world-class event has been held in more than 50 locations worldwide and attracts over 2,500 attendees annually. The IIA's International Conferences showcase the best the profession has to offer and provides participants from around the world with an understanding of the latest developments in internal auditing.

Today, the International Conference is the premier event for internal auditors who want to hear powerful keynote speakers and international presenters representing the global internal audit profession. Attendees are presented with a number of concurrent sessions on today's current issues and trends, industry best practices seeking to address common challenges, and knowledge-sharing opportunities. The overall experience enhances professional development, provides engaging peer-to-peer networking, affords access to key service firms and vendors, and much more.

The event has been held in all corners of the globe including Argentina, Australia, Canada, France, Israel, Malaysia, the Netherlands, South Africa, United Kingdom, and the United States, at state-of-the-art convention centers and hotels featuring the most sophisticated facilities.
